MANDATORY DISCLOSURE OF YOUR SOCIAL SECURITY NUMBER

Federal and State laws require you to provide your Social Security Number to the Oregon Liquor Control Commission (OLCC) on the license renewal application. The OLCC will refuse a renewal if an applicant signing the renewal fails to provide his/her Social Security Number. The Social Security Number will be used only for Child Support Enforcement purposes, unless you authorize the use of your Social Security Number for the additional administrative purposes listed below (42 USC § 666(a)(13) & ORS 25.785).

SOCIAL SECURITY NUMBER AUTHORIZATION

The OLCC also asks for your authorization to use your Social Security Number(s) for additional administrative purposes, to make our application process more efficient and accurate. We use your Social Security Number to:

1. Help us keep accurate records about your identity because applicants often have the same last name and birth date.
2. Ensure your identity when we run a criminal background check through law enforcement agencies.
3. Match your license application to your Alcohol Server Education class and test score (applies only to applicants who are required by law to take and pass an alcohol server education program.)

Our authority to request this use is ORS 471.311 and OAR 845-005-0312(6). Please check the box next to your signature to authorize our use of your Social Security Number for the additional administrative purposes listed above. You will not be denied a right, benefit or privilege if you do not authorize the OLCC to use your Social Security Number for these additional administrative purposes (5 US § C 552(a)).
